Dear Nick,

I am writing to you because you put all your time and effort building our new fantastic playground.

Our new playground is fantastic because it has a gigantic enormous hill. I never ever rolled down a hill before in my life. Also I never climbed a willow tree.

I hope you had a great time building it as much as we enjoy playing on it. I went ballistic when I saw a willow tree that time could climb on.

I really appreciate all your hard work and effort.
